

A brown bear stands in a snowy landscape, looking towards the right. The scene is set in autumn, with large red and orange leaves falling from a tree on the left. In the sky, several birds are flying. The ground is covered in snow, and a small orange fish is visible in the bottom right corner. The background shows a forest of evergreen trees under a soft, hazy sky.

Mama meška iškėlė snukį į dangų
ir uodė orą. Tuoju spustels šaltukas.
Metas ruoštis didžiajam žiemos miegui
ir pūsti į akį iki pat pavasario.

A brown bear is sitting on a dark log in a forest. The bear is looking towards a large, vibrant red maple leaf that is floating in the air. In the background, there are green evergreen trees and a soft, hazy sky. A large orange maple leaf is visible in the upper right corner. The overall scene is peaceful and autumnal.

Meškutis sunerimo:
– Ar aš ką nors
sapnuosiu, mamyt?

A colorful illustration of a mother bear and her cub in a forest. The mother bear is large and brown, with a white patch on her snout. The cub is smaller and also brown. They are standing on a light-colored ground. In the background, there are green pine trees and snow-capped mountains under a yellow sky. The foreground is decorated with large, stylized leaves in shades of blue, purple, and red. The text is centered in the upper part of the image.

– O, taip, – raminaimai
suurzgė mama meška. –

Tu nieko kita neveiksi,
tik sapnuosi.

– Ar užmigsiu
MEŠKINŲ miegu?

– Taip, mažyli, užmiksi
didžiuoju miegu –
kietai ir ilgam.

Meškutis niekaip

nerado ramybės:

„O jeigu, o jeigu, o jeigu...

pristigsiu sapnų?“

– Tada jau bus
ne didysis meškinų miegas,
o didysis niekas, –
svarstė šleivakojis.

„Sugalvojau! – toptelėjo meškučiui, –
keliausiu ieškoti sapnų.“
